

# MESSAGE FROM OUR PRESIDENT

As we enter the 2024-2025 there is an air of excitement in the community and the team is very fortunate to have the ability to share in that excitement with its sponsors. We are nearing our 25th anniversary season down the road and are undergoing significant changes as we gear up for that. Many of those changes are already evident in the club, and many more will become more apparent as this season unfolds.

We have a fantastic package of existing sponsorship packages as well as some new options to consider. Whatever level of involvement you choose to have with the club this year, I can guarantee you that we will represent Dryden and your business with pride and that we will be extremely grateful to partner with you.

See you at the rink,

**Mike Sveinson**

*President of the Dryden GM Ice Dogs*
